Dear Dr Arai

I am delighted to tell you that based on the latest figures*, you are in the **top 10%** of highly cited authors in our General Chemistry portfolio of journals.

Your portfolio highlights (including details of your most successful article) are as follows:

| Article | Number of citations to date* (as of Feb 2016) | Number of downloads to date** (as of Feb 2016) |
|---|--|---|
| A trinuclear Zn-3(OAc)(4)-3,3'-bis (aminoimino)-binaphthoxide complex for highly efficient catalytic asymmetric iodolactonization | 13 | 730 |

This journal portfolio includes:

Journal name - Impact Factor[†]

Chemical Communications - **6.834**
Chemical Science - **9.211**
Chemical Society Reviews - **33.383**
RSC Advances - **3.840**
New Journal of Chemistry - **3.086**
Faraday Discussions - **4.606**

Where are our General Chemistry portfolio readers? (% by country)
